

The background is a vibrant pink with a white grid pattern. Various stylized stars in blue, yellow, and white are scattered throughout. A yellow rocket with orange flames is positioned near the top right. The main title is centered and surrounded by white orbital lines.

NTU ARTS FESTIVAL 2023 **SUPER NOVA**

Festival Guide

NTU Arts Festival (NAF) 2023 is a Special Project under NTU Cultural Activities Club (CAC). Involving the 23 CAC Member Clubs and established arts and cultural groups within NTU, NAF 2023 aims to promote the appreciation of the arts within the NTU community and bring our Arts scene to greater acknowledgement in the wider local arts scene. This year, NAF 2023 will consist of the above 4 main segments of programmes.

INTRODUCING SUPERNOVA

The theme for NAF 2023 is Supernova. Similar to previous years, Supernova aims to draw members of our different NTU communities in, and enrich the lives of all collaborators and benefactors, even likening this to— as our theme suggests— a brilliant burst of light.
